Further to your Information request ER64733 please find your questions and our responses below:

I am writing on behalf of GroundSure Environmental Consultancy to request details for the sets of environmental data listed below. On your website there are no records, or I was unable to find, any Hazardous Substance Consents issued, which are under the Planning (Haz.Subs) Act 1990 legislation. Is this the case? If there are HSC sites in Windsor and Maidenhead we would require the application number, name and address of each respective site, the grid reference (if available) and the processes undertaken (details and dates). This information can be provided by any means, but preferably in excel or as GIS format. 

In addition please list any Hazardous Substances Contravention Notices or Enforcement Notices that have been subjected to the sites.

Response: This is a refusal notice under Section 17 of the Freedom of Information Act 2000. The applicable section is: 21 Information accessible by other means applies. We do not hold the information you have requested. Information which is available to us at present has been published on the Council website in the form of a previous information request. Please follow the link below for our most recent reply:

This concludes your request ER64733.
