Further to your Information request ER65022 please find your questions and our responses below:

Can you tell me the extent of the sale by your local authority of school playing fields since the establishment of the Schools Playing Fields Advisory Panel which have not been referred to the panel.

Can you tell me, by year, the acreage of the land sold and the value it realised?

Can you tell me the reason the sale was not referred to the panel?

Can you detail the school/s which regularly utilised the land in question for sporting or other recreational activities?

Response: I have been advised the ‘Schools Playing Fields Advisory Panel’ was set up in November 2004. I can confirm that no school land has been disposed of since then, not including ones which have converted to academies, even then RBWM remain freehold owners or freehold land containing buildings which has been transferred to the Diocese.

This concludes your request ER65022.
