Further to your Information request ER65713 please find your questions and our responses below.

wanted to clarify that in my first question instead of the term ‘house’, I actually meant ‘property’. The question therefore reads:

Q1 – How many of your council properties are occupied by tenants that are on your waiting list to downsize to a house with a) 1 bedroom, b) 2 bedrooms?

Q2 – How many of your council properties with a) 1 bedroom, b) 2 bedrooms are occupied by tenants who are overcrowded?

Q3 - How many of your council properties with a) 1 bedroom, b) 2 bedrooms have you been able to fill with tenants who had applied to be downsized to those properties, since 1 April 2013?

Q4 – How many overcrowded council properties with a) 1 bedroom, b) 2 bedrooms, the occupants of which have you been able to rehouse to bigger more appropriate properties, since 1 April 2013? (to clarify, I am interested in the number of overcrowded properties that have seen change rather than the number of tenants in those overcrowded properties) If you no longer hold this information please state the name of the organization that does.

Response:

This Authority does not have any housing stock and consequently has no tenants. There are no waiting lists held by this Authority which include social tenants.
