I am writing in response to your Information request which has been processed under the Freedom of Information Act:

**ER66005**

Questions:

Please can you provide archived historical maps, OS maps and GIS maps of Old Windsor at a large scale and closer scale specifically for current Post Code SL42NY in PDF format.

Response: This is a section 17 Refusal Notice- Section 43 (Commercial Interests) exemption has been applied. RBWMs licensing for Historical OS data prevents us supplying data to third parties.

The restrictions of use are as follows

4.1 This licence agreement authorises the customer to use Historical Data exclusively for internal business purposes where facilities may include plotting, processing and manipulating of the data. Historical Data is not to be used by the customer to provide a bureau service to a third party or for the benefit of or on behalf of a third party.

4.3 Neither Historical Data nor any hard copies, plots or prints shall be reproduced, copied, sub-licensed, passed, sold, rented or lent, or otherwise transferred by the customer to any third party without the prior written consent of the licensor.

Restrictions under the FOI Act: Under section 43 of FOIA – Likely to prejudice Ordnance Survey and Landmark Information Group Limited commercial interests.

Note: The requester is welcome to come in to the Town Hall and view the Historical maps of the area under supervision OR can visit Maidenhead library were the requester can obtain A4 photo copies from Original hard copy maps (different licence due to not being electronic).

OS data and GIS Maps

Again under section 21 and 43 of FOIA we cannot supply Ordnance Survey base mapping that does not contained additional information or likely to prejudice Ordnance Survey commercial interests.
