Further to your Information request FOI63827, please find your question and our response below:

**Questions:**

During the 2010-2011 financial year, how many individuals employed in permanent posts at your local authority were paid through companies rather than through PAYE?

**Response:** We do not hold this information.

If an individual was paid through a company they would not be on the payroll database, as this only has named individuals as employees.

If a company was paid, it would go through our Agresso database but would not identify a specific individual.

This concludes your request FOI63827.
