Further to your Information request FOI63945, please find your questions and our responses below:

In accordance with the Freedom of Information Act 2000 please provide the following information:

1. Does the Council use internal resources for repairing pot holes or a 3rd party contractor

Response: the Council uses both.

2. How many miles of roads is the Council (or it's 3rd party contractor) responsible for maintaining

Response: Approx. 415 miles (688km) of roads are maintained by RBWM.

3. Please complete the following table in relation to pot holes repairs undertaken by or on behalf of the Council for the requested fiscal years (note year to date can be to end of nearest month i.e. February 2012)

Response: We do not differentiate between the various types of Carriageway surface defects when carrying out minor repairs so unable to quantify “Pot Holes” so figures below related minor carriageway repairs carried out in each financial year and the number of recordable defects found on routine Highway Inspection surveys.
