Further to your Information request FOI64023, please find your questions and our responses below:

1) For the last financial year, please provide a list of organisations that you have contracted to provide services to the public. If you have records that indicate that any contractors are religious in nature, please indicate which contractors these are.

2) In the past five years, have you changed any organisation you use for any specific public service? Please list instances, dates, original organisation and replacement organisation.

Response: This is a Section 17 Refusal Notice. We have been advised that the work required to provide an accurate response would take in excess of 18 hours. S12 (1) Exceeds the appropriate limit – exemption applies.

We have circa 1,372 suppliers over £1k. Typically we will re-tender 343 of these in a year. These cover goods, services and works but we do not have a split of these categories.

We would have to research every one by looking up invoices on agresso and associated contract details and also speaking to colleagues where the data is not captured. Say half an hour per supplier. We therefore believe for 1 year this would take over 171 Hours.

On the RBWM web site we highlight all our suppliers spend please go to: http://www.spotlightonspend.org.uk/996/Royal+Borough+of+Windsor+and+Maidenhead/Spend/Annual

If the requester has interest in a more specific area i.e. can narrow down services to a type of services, we can provide more information.
