Further to your Information request FOI64176 please find your questions and our responses below:

Please inform me as soon as possible if you have conducted a risk assessments/analyses of the impact of local housing allowance caps on primary schools and primary school-aged children and/or on secondary schools and secondary school-aged children in your area.

If you do hold information on the risk posed by caps to local housing allowance to either please could you supply the relevant documents to me via the above email address? If this is not practical, please could you send them to the street address above?

If you hold separate pieces of information on primary and secondary schools, I would like to receive all relevant documents.

Specifically, I would like to know:

a) What percentage of primary school-aged children are at risk of losing their place at primary schools in your area as a result of caps on local housing allowance?

b) How many surplus places could there be in primary schools in your area as a result of pupils relocating due to caps on local housing allowance?

b) How many surplus places could there be in secondary schools in your area as a result of pupils relocating due to caps on local housing allowance?

Response: I have been advised we do not hold this information.

This concludes your request FOI64176.
