Further to your Information request FOI64315 please find your questions and our responses below:

1) The approximate number of adults and children with learning disabilities currently supported by your local authority.

**Response:** 454 Adults, 304 Children – 758 Total.

2) The approximate number of adults and children with autism currently supported by your local authority.

**Response:** 107 – Autistic Spectrum Disorder (ASD) team referrals.

3) The approximate number of adults with dementia currently supported by your local authority.

**Response:** Currently 9.

4) The approximate number of adults with learning disabilities and dementia currently supported by your area.

**Response:** Currently this is recorded as zero. As in the above answer people will have been diagnosed as having a learning disability first and the fact that they develop dementia at a later stage is not captured in our data.

5) The current and predicted rates/price for 2013 in this area for supported living, residential care and domiciliary care for adults with learning disabilities.

**Response:** There is not one price, hourly rates range from approx 14.00 to 22.00 pounds per hour depending on needs of the individual and skill level of staff required to meet that need. The smallest support package is 2 hours per month, up to 24 hour residential care. The Care Funding Calculator is used to help establish correct fee levels in residential care provision.
