Further to your Information request FOI64461 please find your questions and our responses below:

**Request:** In June 2012 there was a reconsultation on the introduction of parking permits in Elm Road, Windmill Close and York Road which followed on from a consultation on the same issue in November 2011. When the earlier consultation took place in November 2011 the distribution of the proposal forms could best be described as haphazard. How were the proposal vote forms distributed to households in the affected roads for this reconsultation? Will you detail by each road the following: - The number of proposal forms distributed? The number of returned votes for the introduction of permit restrictions? The number of returned votes against the introduction of permit restrictions? Were any alternate proposals for permit restrictions submitted by residents?

How were the proposal vote forms distributed to households in the affected roads for this reconsultation?
They were hand delivered through each door by Civil Enforcement Officer. These were part of the full scheme for the Springfield Road Area and did include other roads. Will you detail by each road the following:

**The number of proposal forms distributed?**
ELM ROAD: 69 WINDMILL CLOSE: 8 YORK ROAD: 84

**The number of returned votes for the introduction of permit restrictions?**
ELM ROAD: 21 WINDMILL CLOSE: 3 YORK ROAD: 20

**The number of returned votes against the introduction of permit restrictions?**
ELM ROAD: 24 WINDMILL CLOSE: 1 YORK ROAD: 18

**Were any alternate proposals for permit restrictions submitted by residents?**
Only suggestions made were to vary the hours in several ways – no other proposals raised.
