Further to your Information request FOI64725 please find your questions and our responses below:

Please can you tell me the cost to this council - if any - for allowing the Olympic Torch to pass through the authority area?

Response: The council spent approximately 38K on the Torch Relay. However, the borough also received 285K income from various government agencies, etc, for our involvement in the Olympics. The costs of the torch relay and other Olympic activities have all been currently contained against this income.

Please could you provide a breakdown of the costs such as extra pay for staff, extra cost of policing, road closures, branded bunting and other associated costs.

Response:

13.5K Marshalling & Medical Team Costs
  6.0K Fencing & Security Barriers
  6.0K Additional Signs
  5.5K Bunting, Illuminations and decorations
  3.5K Parking Suspensions, etc.
  1.5K Temporary Toilets
  1.0K Coaches
  1.0K Miscellaneous

TOTAL  38.0K

I would like it stated how much sponsorship contributed to the costs, so as to differentiate from the cost to the taxpayer.

Response: None

In addition, could you tell me what income, if any, was earned from the procession?

Response: None
