I am writing on behalf of Ben Savage to respond to your information request:

1) Residential Rehabilitation
   - 2009/10 £68,521.87
   - 2010/11 £16,774.20
   - 2011/12 £41,320.20

   N.B. I would suggest that as for 2009/10, no separate residential detoxes were recorded, it may be that people did in fact receive detox but in the same treatment centre used for rehabs and that they were simply not separated out.

2) I cannot provide all of these figures, however, I can provide some information about the costs of our prescribing services.
   - 2009/10 Part of a larger contract, not available
   - 2010/11 Specialist and Community Prescribing at a total cost of £144,000
   - 2011/12 Specialist and Community Prescribing at a total cost of £170,680

   N.B. Provision of a blood borne virus nurse, once a week is included in the above figures and not separated out.

3) RBWM has provided a Structured Day Programme as part of its’ substance misuse services for some years, which this point may relate two, however the costs of such a programme were not separated out as it would have been commissioned as part of a bigger treatment service contract, as it continues to be today.

4) Inpatient Detoxification
   - 2009/10 £0
   - 2010/11 £5406.60
   - 2011/12 £5053.09

This concludes your request.
