Further to your Information request FOI64917 please find your questions and our responses below:

Please can you tell me the cost to the council for allowing the Olympic Torch to pass through the area covered by the council?

**Response: None.**

Please could you provide a breakdown of the costs such as extra pay for staff, extra cost of policing, road closures, branded bunting and other associated costs.

In addition, could you tell me what income, if any, was earned from the procession from parking, selling advertising space etc.

And finally, if you did have any grant funding or sponsorship, can you tell me how much was provided by LOCOG?

**Response: There was no direct funding towards the costs of the torch relay, however, the borough has currently invoiced approximately 288K of external income from various government agencies, etc, for our involvement in the Olympics.**

The costs of the torch relay and other Olympic activities to the Borough have been mostly covered by this income.

This concludes your request FOI64917.
