I am writing on behalf of Ben Savage to respond to your information request:

- Do schools within the borough buy broadband service through the council? YES

- If so, when does the contract expire? Typically the contract expires March 31st. The broadband and ICT services are purchased as part of the corporate traded services buy back from the borough which runs April 1st – March 31st each year.

- If a school wishes to opt out of buying broadband through the council can they do so? Yes – and some already do.

- If so, do they need to give notice and how much notice is expected from them? The traded services service level agreement requests a 6 months cancellation notice period.

This concludes your request.
