Further to your Information request FOI65074 please find your questions and our responses below:

Please note, I am not asking for all the complaints made against all of the councillors who have served as RBWM mayor over the whole time period outlined above. I only wish to have the details of any complaints made against each councillor who served as mayor in only the year they served as mayor - not the number of complaints filed against them as a councillor over the whole time period outlined above.

If it is not possible to disclose the details of the complaints, then if the number of complaints made can be revealed, please state those.

Finally, would it be possible to state the number of complaints about councillors serving as mayor over the past 15 years made by current Datchet parish councillor Ewan Larcombe broken down year by year.

Response: I have been advised we only have records of complaints against Councillors going back to 2008. The Decision Notes relating to these are available on the RBWM website.

The only complaint against a Mayor was in November 2012. As there was no breach of the Code of Conduct found, Councillor Rayner exercised his right for the decision notice not to be published.

This complaint was made by Datchet Parish Councillor Ewan Larcombe

Details of complaints made about councillors that have been referred to the former Standards Committee are on the website.
