Further to your Information request FOI65109 please find your questions and our responses below:

**Sure Start**
How many Sure Start centres were running in your local authority in May 2013?

How many of these Sure Start children's centres had nurseries that offered full daycare (ie 10 hours per day over 5 days per week for at least 48 weeks of the year) in May 2013?

Response: I have been advised the answer to this question is on the RBWM website - [http://www.rbwm.gov.uk/web/ed_childrens_centres.htm](http://www.rbwm.gov.uk/web/ed_childrens_centres.htm)
2 Hubs and 13 sites

Does your local authority have any plans to reduce the number of its Sure Start centres in the present financial year? (ie reduce the number of sites that it operates) If so, by how many?

Response: None.

Does your local authority plan to close any of the nurseries that are based in Sure Start children's centres in the present financial year? If so, how many?

Response: No

Within Sure Start children's centres are you offering the same number of services to parents as last year, or has the number of services increased or decreased?

Response: The service was reconfigured during 2012 thus making difficult to compare. However overall provision is currently equivalent to those of the previous year.

Are you planning to cut any services for parents over the next financial year?

Response: There are no plans at this stage

If you have cut services run from Sure Start children's centres, or are planning to do so, which services have been lost?

Response: The difference in service from last year is that the Children centres are not open always open every day (Monday to Friday), services are now more targeted.

**Youth service**
What was the budget for your local authority’s youth service in the last (2012-2013) financial year?
Response: Youth Service Budget for 12-13 – £837,780
