Further to your Information request FOI65166 please find your questions and our responses below:

1. How many parking tickets has the council area given out in the years: 2012 and 2013 on Mondays, Tuesdays, Wednesdays, Thursdays, Fridays, Saturdays and Sundays

2. The number of parking tickets issued on a single yellow line on a Sunday in 2011, 2012 and 2013

3. The road name (per council area) where most parking tickets are issued on a Sunday

4. The road name (per council area) where most parking tickets are issued on a single yellow line on a Sunday

We are applying the following exemption to the questions above.

This is a refusal notice under Section 17 of the Freedom of Information Act 2000.

The relevant exemption is:

12 (1) Where costs exceed the appropriate limit.

does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. The Fees Regulations state that this cost limit is £600 for central government and £450 for all other public authorities. Such costs are calculated at £25 per hour per person for all authorities regardless of the actual cost or rate of pay, which means that the limit will be exceeded if these activities exceed 18

We do not hold the information in the format required therefore to provide it it would mean manually going through records this would take well over 18 hours.

5. The number of CEOs working (on average) on Mondays, Tuesdays, Wednesdays, Thursdays, Fridays, Saturdays and Sundays

Response: I have been advised the number of CEO's on average is the same very day 15
