I am writing on behalf on Chris Daniels to respond to your information request:

We don’t routinely collect this data in the format requested (ie broken down by year). All that is available is data from our 2011 Childcare Sufficiency Assessment, which is on the website at:

Please tell me:
1. How many places on holiday childcare schemes were available in the local authority area in the summers of 2009, 2010, 2011 and 2012. CSA 2011 indicated 970
2. How many places on holiday childcare schemes the local authority is currently aware will be available in the local authority area in the coming summer. Data not collected
3. How many breakfast clubs were operating across the local authority area in each of the following academic years: 08/09, 09/10, 10/11, 11/12 and 12/13. 2010/11 - 41
4. How many homework or other after school clubs were operating across the local authority area in each of the following academic years: 08/09, 09/10, 10/11, 11/12, and 12/13. 2010/11 - 58
5. Whether the local authority has currently secured sufficient childcare aged 5 to 11 years old. Data for this specific age group not available, but CSA indicated sufficient childcare for children aged 0-8, although this was not always available within some reach areas
6. How many schools within the local authority area are currently delivering the ‘core offer’ of extended schools (please express as “x out of (total number of schools)”). Data not currently collected
7. How many schools within the local authority area were delivering the ‘core offer’ of extended schools in September 2010 (or in the academic year starting in this month) (please express as “x out of (total number of schools)”). 63 of 63
