Further to your Information request FOI65186 please find your questions and our responses below:

Please can you give the headcount number of all staff (including schools), and also the headcount of those staff that are residents in the Borough?

Response: The current headcount for staff including schools but excluding casuals is 3687.

This is a refusal notice under Section 17 of the Freedom of Information Act 2000.

The relevant exemption is:

12 (1) Where costs exceed the appropriate limit.

Does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. The Fees Regulations state that this cost limit is £600 for central government and £450 for all other public authorities. Such costs are calculated at £25 per hour per person for all authorities regardless of the actual cost or rate of pay, which means that the limit will be exceeded if these activities exceed 18 hours.

We do not hold the information in the format required therefore to provide it it would mean manually going through records this would take well over 18 hours.

This concludes your request FOI65186.
