Q3 – on the attached sheet

In relation to Q3 we do not routinely report on this and so have no formal records. We do keep an informal spreadsheet to inform our own local knowledge and have used this to produce an answer. Caution needs to be exercised with the information in that where dementia is not the primary issue leading to lack of mobility we may have recorded it as something else and so it may not fully represent the dementia spend.

If you are unhappy with the information we have provided in response to your request please write to:
