Further to your information request FOI65412 please find your questions and our responses below:

Please disclose the contents of all emails with 'Windsor fire station' either in the subject line or main body of text sent exchanged between council officers, between councillors and between councillors and council officers in the dates inclusive Jan 1 2012 to August 30, 2013.

Response: We are applying the following exemption to this request.

This is a refusal notice under Section 17 of the Freedom of Information Act 2000.

The relevant exemption is:

12 (1) Where costs exceed the appropriate limit.

(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. The Fees Regulations state that this cost limit is £500 for central government and £450 for all other public authorities. Such costs are calculated at £25 per hour per person for all authorities regardless of the actual cost or rate of pay, which means that the limit will be exceeded if these activities exceed 18 hours.

We are applying this exemption because we would need to check over 1000 employees e-mails accounts to produce our response.

This concludes your request FOI65412.
