Further to your Information request FOI65477 please find your questions and our responses below:

1. A list of the current providers of respite care services for learning disability in Windsor and Maidenhead

Respite care services are provided through a variety of methods to adults with learning disabilities in Windsor and Maidenhead. These include the Borough's own in-house residential respite care facility (Allenby Road), short term shared lives placements (adult placement), families taking a direct payment and putting in place their own support arrangements and a variety of domiciliary care agencies that provide an agreed number of support hours a week in line with the assessed needs of the individual. These providers include Ategi, Applebury, Carewatch, Careline, Jigsaw, F and H Solutions and Bridge House.

2. The best way we can reach out to service users who may wish to use our services from their own personal budgets.

The best way to reach out to service users would be to provide details of the organisation and service to the Community Team for People with Learning Disabilities, 3 Abell Gardens, Maidenhead, Berkshire: ctpld@rbwm.gov.uk and this information can then be shared with individuals and their families.
