How many teachers have been suspended as a result of a criminal allegation against them during the past three years? If it is simpler during 2011, 2012, and to today's date in 2013. Of those how many were suspended over allegations relating to child sex offences? Were the individuals involved suspended on full pay? If so what was the total cost to the local authority? If this is not available as a break down per individual then please inform me of the total cost suspended for this reason. What was the resolution? i.e returned to work, resigned, convicted, fired?
