Further to your Information request FOI65637 please find your questions and our responses below:

For the period 1st January 2011 - 1st November 2013, I would like details of every instance of a child (under 18 years old) being placed in a "looked after" situation (e.g. children's home or foster care) where obesity was a contributory factor in that decision, within your local authority.

The details I am looking for in each case are:

- The date of the decision
- The type of "looked after" situation the child is placed in
- The weight of the child
- The Body Mass Index of the child
- The sex of the child
- The age of the child
- Any other contributory factors for the child being put into a "looked after" situation.

Response:

RBWM have no instances of a child being placed in care where obesity was a contributory factor in the decision.

This concludes your request FOI65637.
