I’m writing to request statistics for the following: The separate annual spend on each of these public health areas:
Sexual Health, Drug misuse - adults, Alcohol misuse, Smoking, Obesity, Physical activity am requesting the spend for each of the public health concerns in the spending year 2012/13, and also for the coming year 2013/14. Where the spend is spread across multiple brackets through schemes or initiatives which will, for example, focus on obesity and physical activity, please apportion the correct amount of funding that has gone to each sector’s outcomes. Where this is not possible, please spread the cost evenly over each appropriate category.
