I am writing in response to your Information request:

**FOI66219**

I wish to know how much your council has spent on specialist classroom and gym equipment in schools for obese and overweight children over the last five years (April 2009 to the present day). For example, extra large classroom chairs.

If possible, please list the equipment bought and the individual cost of each piece.

**Response:**

Zero - We do not purchase equipment for schools, so do not have any information on this subject. Individual schools purchase their own equipment.

If you are unhappy with the information we have provided in response to your request please write to:
