Further to your Information request FOI66591 please find your questions and our responses below:

(a)(i) the latest school roll forecasts or projections showing the figures for each school managed by this education authority, also to show the data for each year group within each school;
The borough does not currently carry out school level pupil forecasts. Area level pupil forecasts are produced and sent to the DfE as part of the annual School Capacity (SCAP) return. These are attached here.
(ii) indicate when these forecasts were last updated;
July 2014.
(iii) indicate whether pupil yield figures from approved planning applications are included in forecasts – and the latest date when consented applications were included.
Yes, pupil yield figures from approved planning applications are included in the forecasts. Applications approved up until December 2013 have been included.
(iv) indicate the official net capacity of each school managed by this education authority.
The Net Capacity of all maintained schools in the borough is included in the attached SCAP_Capacity_DataSummaryReport (column L), as submitted to the DfE as part of the SCAP Return.
(b) details of any current planned changes in schools’ net capacity or new schools to be built in this education authority’s area and when they are due to be operational.

The table below gives the current agreed changes in net capacity at maintained schools in the borough, together with the implementation date.
