Further to your Information request FOI66592 please find your questions and our responses below:

1. a) For 2014 so far, the total number of children who were referred, or became known, to the council amid concerns that they are, or at some stage have been, at risk of sexual exploitation.

10

1. b) The age of the youngest child thought to be at risk of sexual exploitation.

10

1. c) Please provide an anonymised breakdown for each child, detailing the gender of each child, the age of each child, and a summary description (or at least a category) of the concerns around sexual exploitation, for example that they are know to be being exploited by a family member; that they are exploited in return for alcohol or drugs, etc. Please detail how many of them are thought to be involved in the sex trade (receiving money or other rewards in return for sexual acts) or what is described as "child prostitution". Please understand that I am aware a child cannot consent to prostitution and is in reality a victim of abuse or exploitation, however, please provide details of those who are thought to be involved in this activity.

The specific information requested is not available. RBWM, Thames Valley Police and partners uses the following categories of concerns around sexual exploitation and minutes of meetings relate to these categories:

Level 1
This level is for children where there is no current information that they are at risk of CSE, but who have been previously linked to CSE and/or are displaying the warning signs.

Age 10 – 1; Age 14 – 1; Age 15 – 5; Age 16 – 1;

Level 2
This level is for children where there is information that suggests a current risk of CSE, but no disclosures or evidence of CSE. There will be a higher number of risk indicators present and the case is likely to have been considered under S.47
Age 13 – 1; Age 15 – 1;

Level 3
This level is for children where there has been a disclosure of sexual offences perpetrated against them or where an active investigation is taking place due to corroborated intelligence or evidence regarding CSE.
None

All female.
