Dear Ms Fielding

Re: DWA Licence Veterinary Surgeon's Report for

NOTE: Highlighted areas recommend to be redacted for any FOI requests following data protection and legal requirements for nature of DWA specimens held within the collection.

To: Maria Fielding, Royal Borough of Windsor & Maidenhead, SL4 1DD

As requested I have visited the premises of:

at: ____________________________

on: 10th March 2014

In my opinion the accommodation at the above premises is suitable to keep the permanent animals:

Brown Lemur (Eulemur fulvus mayotensis) x 2 (two).
Brown Lemur (Eulemur fulvus colaris) x 1 (one).
In addition to these species any other species as required subject to attached conditions.

...there and all other requirements of the Dangerous Wild Animals Act 1976 and subsequent amendments are being complied with.

The following permanent animals have been removed (having died):

Ring tailed lemur (Lemura catta) x 2 (two)

In addition the following transient (>72 hours) animals were noted on the day of inspection and in my opinion the accommodation at the above premises is suitable to keep the transient animals noted:

Alligator (Alligator mississippiensis) 0.3.0
Western diamondback rattlesnake (Crotalus atrox) 0.0.1 (venomous)
Montpelier snake (Malpolon monspessulanus) 0.0.1 (venomous)
Ring tailed lemur (Lemura catta) 2.0.0 (note: separate individuals to those above)

I RECOMMEND that a Licence be granted under the Act, subject to the standard conditions imposed by the Act and the following additional conditions:

1. While any animal is being kept under the authority of the Licence:-
   a. Animals kept under this licence are the responsibility of the named person specified above or a competent individual nominated by the Licence holder above
   b. The animals shall normally be held at such premises as are specified above
   c. The person to whom the Licence is granted shall hold a current insurance policy which insures him and any other person entitled to keep the animals under the authority of the Licence against liability for any damage which may be caused by the animal, the terms of such policy being satisfactory to the authority.

2. The person to whom the Licence is granted shall ensure that all responsible precautions are taken to protect the safety of the public.

3. Any animal which is being kept under the authority of the Licence shall be:
   a. held in accommodation which secures that the animal will not escape, which is suitable as regards construction, size, temperature, lighting, ventilation, drainage and cleanliness, and which is suitable for the number of animals proposed to be held in the accommodation.
   b. supplied with adequate and suitable food, drink and bedding material and be visited at suitable intervals by a competent person.
   c. Provided with accommodation that shall be such that they can take adequate exercise.
4. Any addition of species not specified above and covered by the Dangerous Wild Animals Act 1976 held at the site for a period in excess of 72 hours must be notified to the Local Authority representative at an Order taxonomic level and the nominated veterinarians in writing (including email). Detailed records of all animals passing through establishment to be kept by licence holder and made available at time of renewal of licence.

5. Appropriate steps will be taken for the protection of animals in case of fire or other emergency.

6. The Licence holder as specified above can remove animals from the site named above for the purpose of law enforcement, education, training, rehoming and animal welfare.
