Dear Neil,

Sorry but I have not been able to speak to --------- and I’m away next week so if it’s ok I’ll get back to you the week after next.

2 **Subject:** RE: Parking

Dear

1 Businesses have not asked for parking on Ridgemount Road, however the council believes that some businesses at the Western end of the village may wish to use them. Waitrose will not be receiving business permits.

2 I can only give you my assurance that there are no plans to change the restrictions further and if there were this would require resident agreement.

I would disagree that business parking and commuter parking amount to the same thing. The average commuter brings nothing to the village and is only there due to free unrestricted parking. Business permit holders will be those working within the villages businesses and it is essential that they are able to park to keep the village vibrant.

Regards
Dear Neil,

Before we can finalise our position, could you please let me know the following:

1. Which businesses have requested the additional parking on Ridgemount Road?

   It is not clear to us which ones need this additional parking and it would help us to know generally who would park there and for how long. Please also confirm that no Waitrose staff will be allowed to park there.

2. Would the Council give us an assurance that if business parking is introduced, they would not change the restrictions later on to make the spaces available for general parking or extend the spaces along the road?

A point made to me by a resident is that although called “business parking”, this is really the same as commuter parking as in both cases the road is used for parking all day by people going to work.

Regards,

--

Dear

If it is agreed that we will go ahead with the proposal I will inform all residents of Ridgemount Road.

Regards

Neil Walter
Parking Principal

Dear Neil,

Thank you for the plan. I have spoken to a couple of the residents on the street and there are reservations about the business permits. Can you confirm that you have or will notify all the residents of Ridgemount Road?

Thanks and regards,

Dear

The highways engineer has made a mistake with the signage.

The first 75 metres (blue section) is business permits and 2 hours limited waiting and the rest (red section and southern end) is 2 hours limited waiting only.

Regards

Neil Walter
Parking Principal
01628796485

Dear Neil,

Am I right in understanding that the road will be carved up into three parking sections as follows:

- The blue section for business and limited waiting up to 4 hours.
- The red section for limited waiting up to 4 hours.
- The southern end to be left as it is at the moment?

Regards,

--
Dear

I have just received the drawing. Please feel free to pass me your comments.

Regards

Neil Walter
Parking Principal

Dear Neil,

I write further to our meeting at the end of last month when you said you would send me and --------- a proposal for business parking on Ridgemount Road.

Having discussed it with some of the residents of the road, there is some objection to the concept of having permanent, all day business parking on a residential street, which is entirely different to infrequent and short term parking of customers of the local businesses.

Therefore, in order that everyone can be satisfied with the proposed changes, please let us have details of those proposals as soon as possible.
Thank you.

Neil Walter
Parking Manager

Dear Mr Walter,

I confirm our meeting at 9.30 am on Monday 30th June at my house.

The address is:

Regards
Dear

I am in a meeting in Maidenhead at 11am so I could do 9.30am or 12.30pm. It is probably easiest for me to come to you if that is acceptable?

Regards

Neil Walter
Parking Manager

Dear Mr Walter

I can make any time on Monday 30th. Does 11 am suit you? Where would you like to meet?

Regards

Dear Mr Walter,

Following up on your email of 21st May, are you able to meet soon to discuss this matter?

Thanks and regards,

Dear

Cllr Bateson has asked me to respond to your recent email, however I am due to go on annual leave today and will not return until the 2nd of June.

I have suggested that all proposed changes are implemented in July except for Ridgemount Road which will be placed on hold until such time as a meeting can be arranged to discuss the issues raised and agree a way forward that will benefit all.

I will be in contact in early June to arrange a meeting.

Yours sincerely
Neil Walter
