Further to your Information request FOI66784 please find your questions and our responses below:

Information on the building of both social rented housing and affordable rented housing in your local authority area.

For all questions I am requesting information on homes being built directly or by housing associations or under obligations such as Section 106.

How many social rented homes have been built in your local authority area since May 6th 2010?

How many affordable rented homes have been built in your local authority area since May 6th 2010?

How many social rented homes to be built in each of the next three years in your local authority area have, at this point in time, both planning permission and financing in place?

How many affordable rented homes (not including social rent) to be built in each of the next three years in your local authority area have, at this point in time, both planning permission and financing in place?

Response

Please note, market housing can be used for affordable housing through schemes such as the Help to Buy, as well as dwellings built with planning permission for affordable housing.
