2. The actual spending on temporary emergency accommodation during each of the years 2011/12, 2012/13 and 2013/14. As above in table.

3. Is the spending for 2014/15 expected to exceed the allocated budget, and if so, what is the current projected end-of-year outturn? We are not expecting to exceed the allocated budget for 14/15.

4. What is the indicative proposed budget for funding the provision of temporary emergency accommodation in 2015/16? Indicative budgets for 15/16 are not yet available.

5. If such a figure for (4) above is not available, does the council expect to spend less or more on temporary emergency accommodation in 2015/16 than it is in the current financial year? We do not have this information available.

HOUSEHOLDS / NIGHTS / LOCATION

6. The number of households supported with temporary emergency accommodation during each of the years 2011/12, 2012/13 and 2013/14. We do not hold this information in the format you require.

7. What percentage of households provided with temporary emergency accommodation during 2013/14 had 1, 2, 3, 4 or 5+ individuals (adults and
children) respectively? We do not hold this information in the format you require.

8. The average length of stay (number of nights) per household in temporary or emergency accommodation during each of the years 2011/12, 2012/13 and 2013/14. We do not hold this information in the format you require.

9. The total number of nights of temporary emergency accommodation arranged for these households (i.e. the number of nights for all the supported households added together) during each of the years 2011/12, 2012/13 and 2013/14. We do not hold this information in the format you require.

10. The percentage of this temporary emergency accommodation which was provided within the boundaries of the local authority area during each of the years 2011/12, 2012/13 and 2013/14. We do not hold this information in the format you require.

11. The percentage of this temporary emergency accommodation which was provided on a commissioned basis – i.e. through facilities (B&Bs, hostels etc) which were not run / managed by the local authority – during each of the years 2011/12, 2012/13 and 2013/14. 100% for all years

COSTS

12. The average gross cost, per household, in commissioning temporary emergency accommodation during 2013/14. This should reflect the average gross expenditure incurred per household in funding external provision (i.e. not provided by the council), for the duration of their stay in temporary emergency accommodation. We do not hold this information in the format you require.

13. The average per night gross cost, per household, in commissioning temporary emergency accommodation during 2013/14. This should reflect the average gross cost, per night, in funding external provision. If these figures are not available on a per night basis, please provide them on a weekly or monthly basis. We do not hold this information in the format you require.
14. Other than funding the revenue costs associated with purchasing temporary emergency accommodation from a provider, has the local authority made any direct or indirect capital investment in the provision of temporary emergency accommodation either within, or beyond the boundaries of the local authority? 

No.

15. If the answer to (14) above is yes, what capital investment was made during each of the years 2011/12, 2012/13 and 2013/14?
