Further to your information request please see your questions and our responses below:

1.) What is your current affordable housing target expressed as a percentage?
   30% of schemes delivering 15 dwellings or more (net) or residential sites of
   0.5 ha. and over.

2.) What percentage of the total new homes built since 1 April 2013 are
   affordable? 5% with planning permission for affordable tenures

3.) What percentage of the total new homes built in the local authority area over
   the five years prior to 1 April 2013 were affordable. Please express this year
   on year.

4.) How many applications have you received to renegotiate the number of
    affordable homes required in Section 106 agreements since the Growth and
    Infrastructure Act became law in April 2013? Please also break this down
    month on month up to 31 January 2015. If possible, please also state how
    many applications were made by housing associations.

   None

5.) How many of these applications successfully resulted in the loss or gain in
    the number of affordable homes? Please state:

   a.) The total number of affordable units that have been lost or gained as a
       result of the renegotiations

   b.) How this compares with the number originally specified

   N/a

6.) How many applications to renegotiate the affordable housing numbers
    outlined in section 106 agreements has the council received for each of the
    past five years preceding 1 April 2013?

   Data not held
7.) How many of these applications successfully resulted in the loss or gain of affordable homes? Please state:

a.) The total number of affordable units that have been lost or gained as a result of the renegotiations.

b.) How this compares with the number originally specified

N/a
