Further to your information request please see your questions and our responses below:

For the past 4 academic years (2010/11 through to 2014/15), can you tell me:

How many applications for primary and secondary school places were withdrawn after false information was entered on application forms. If within time constraints, can you please state what kind of inaccurate information was offered for each applicant (i.e. wrong address).

The number of children who failed to get a place at their first-choice primary and secondary school.

The total number of applications received for primary and secondary schools in each academic year,

Please can you break the data down by academic year, and split it between primary and secondary schools

Response: I have been advised that we do not hold this information.
