Further to your Freedom of Information request FOI67748 please find your questions and our responses below:

I would like to ask how many social housing homes have been built and have been planned in conjunction with housing associations as part of the new regeneration project in Maidenhead? Please provide dates, how many properties built and planned to be built?

Within the Maidenhead Area Action Plan boundary:
- there have been no social housing homes built since 2011 when the Maidenhead Town Centre Area Action Plan was adopted.
- there are currently no approved planning permissions for social housing homes

Also how many people are currently on the local housing register? There are approximately 300 active households within the Housing Needs System.

How many people were placed in social housing from the local housing register from June 2014 to June 2015? 255
