I am writing on behalf of David Davies to respond to your information request:

1. The £480,000 given to Holyport College is based upon their wish to increase school numbers by 48 pupils, at a rate of £10,628 for each additional pupil place? The average cost of additional places is £10K per place and the additional 48 school places will be provided by use of the £480K S106 funds.

2. This cost of £10,628 is the indicative cost for providing Classrooms? The £10K figure used reflects the average cost of expanding schools per place and is not restricted to classrooms alone.

3. Holyport College will be spending money on sports changing facilities, larger kitchen, and improved library. Can you tell me when and by whom in your Department saw the specifications, tenders, and budgets for this work? The Children’s Services Directorate have not reviewed specifications, tenders or detailed budgets, this is in line with the normal process. The School will not be paid any funds until the additional works have been undertaken.

4. Can you tell me the increase of Secondary School places required in Maidenhead for the school year 2015-2016? There is no shortfall of places in 2015/16.

5. Please give me the numbers of new places required by each Maidenhead school? No analysis is held.
