I am writing to respond to your information request:

Statement of Accounts 2014/15 page 36 Capital Commitments shows Riverside (Ellington) Primary expansion £687,000. Seeking further information on the make up of this amount. When was it authorised - who authorised it - what was the reasons for this additional funding over and above the Dfe expansion grant. Who requested the additional funding and when - any emails between RBWM Officers / Councilors and Riverside School management / governors in relation to the £687,00

Response:

The figure of £687k is not an additional budget, as stated by the question – but it is the amount of money left to be spent, part way through the scheme, as at March 31st. It will therefore not have a breakdown of approvals, as it is not an additional budget.
