

4 On Street Surveys

4.1 Introduction

4.1.1. The surveys were undertaken by the Council, during the survey the number of vehicles with permits for resident, visitor, business and vehicles with pay & display vouchers were noted on roads with available parking. In addition to these vehicles, other vehicles were parked either on single yellow lines or were illegally parked.

4.2 Summary of Results

4.2.1. The on-street survey was carried out on Thursday 29th May and Saturday 31st May 2008. The survey was broken into four zones (A,B,C and D) as shown on the plan below.
