Dear Mr Smith

**The Fishmongers' Company
Jesus Hospital Almshouse, Bray, Berkshire**

I thought it was important to let you know that the following Motion was passed unanimously at the Royal Borough of Windsor and Maidenhead Council meeting on Tuesday 28 July 2009:-

"This Council notes that in 1609 William Goddard bequeathed land to the Worshipful Company of Fishmongers for the purposes of supporting the needy residents in Bray.

It further notes that today the company owns and operates Jesus Hospital, a popular and well regarded Almshouse, and believes that the proposed transfer of Jesus Hospital to "Bristol Charities" and the demand that residents leave is a betrayal of the aims that William Goddard laid out.

This Council resolves to continue to oppose this move and requests that the Mayor write to the following:-

- The Lord Mayor of the City of London, the Prime Warden of The Fishmongers' Company, the Chairman of the Charities Commission and the Chairman and Vice Chairman of the Livery Committee and

further resolves to ensure that the residents of Jesus Hospital and the residents of Bray are made aware that actions are being taken to support this important local service".

Jesus Hospital is an integral part of the village of Bray providing care for the aged poor. I support the newly formed "Friends of the Almshouse of Jesus Hospital" request to The Fishmongers' Company to defer the transfer of their trusteeship to "Bristol Charities" until December 2009. Between now and then the "Friends of the Almshouse of Jesus Hospital" will prepare a case based on professionally prepared independent reports for Jesus Hospital to be managed by a local Trust.

Yours sincerely
