NOTES: Vacant units are counted by their last official use.

Vacant retail does not include 'Other Non-Retail'.

Other = B1, C1, D1, D2 etc

Sui Gen = Sui Generis

Amalgamated units are included on the detailed schedule in [] for information purposes, but only the original unit is counted. The amalgamated unit is not counted in any calculations.

All units are counted by their official use class not their current use.

* New units added to the survey in November 2013.
