How we collect information –

Personal data is supplied directly to Democratic Services by members of the public wishing to register to speak at council meetings.

What information is collected –

This includes a representative's name, address and contact details.

How we use the information provided –

The information is used to manage public speaking at council meetings .

Who has access to the information about you –

The information is held by Democratic Services.

Who we may share your information with –

Speaker names are shared with the Chairman of the Panel and relevant officers prior to the meeting, announced at the meeting and recorded in the meeting minutes. With agreement of the individual, their contact details can be shared with others registering to speak to agree how speaking times will be shared. Agenda paperwork is held on the council's agenda management system, externally hosted by Modern Mindset Ltd

Participants in a virtual meeting will be either filmed or audio recorded dependent on how they choose to access the meeting. The recording is stored on the council's YouTube webpage.

How long we store your information–

Speakers' personal details collected by Democratic Services are stored until the minutes of the meeting at which the individual spoke are approved as a true and correct record. This usually happens at the next meeting. Speakers' names are retained as a permanent record in the minutes of the meeting.

The video recording of the meeting is stored on the council's YouTube page indefinitely as a historical record.
