

**ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD  
COMMUNITY GOVERNANCE REVIEW RESPONSES  
(DRAFT RECOMMENDATIONS)**

**RESPONSES RECEIVED BY POST**

**Response 1**

Dear Sir/Madam,

I have to hand a recent circular regarding the forming of a Windsor Town Council.

I would like it known that I am greatly in favour of Windsor having its own Town Council, rather than being dictated to by Maidenhead Council, as is so often the case.

On another note, please pass on to the relevant department regarding bringing back a Residents Parking discount. The Liberal Democrats are keen to see this happen.

With regard to Alexandra Car Park proposed "REVAMP" - NO! NO! NO! We don't need more shops and cafes, Windsor already has so many. After the COVID Pandemic the footfall of visitors to Windsor will fall quite considerably and a lot of shops will remain vacant. This Council really does come up with so many silly ideas - i.e. the idea to close some of the Dedworth area roads - this has now been abandoned, thank goodness!

Yours faithfully,

**Response 2:**

Dear Sir/Madam,  
Both my wife [REDACTED]  
and myself (as above) are strongly in favour  
of a Windsor Town Council.  
Yours Sincerely  
[REDACTED]

**Response 3:**

Regarding Question 3, a separate Town Council for Windsor does not mean that the administrative staff need to be increased.

Reorganisation of existing Council staff to ensure greater efficiency should be the first priority.

There must be tight controlling of staff and all other costs.

Response 4:

To Whom This Concerns.

We want Windsor to have its own  
~~own~~ Council

Reason being is the RBWM Planning Dept

Richard 1 They never tell the truth

2 They seem to be out of control

3 I am afraid what is happen

in Maidenhead

4 They allow a certain person  
to do what he wants

because its always a ruse

5 No Applications put up

I think its really bad

Thats why we want our own Council

We Vote For Windsor Town Council
