EqlA : Public Consultation on Draft Corporate Plan framework

Guidance notes

What is an EqlA and why do we need to do it?

The Equality Act 2010 places a 'General Duty' on all public bodies to have 'due regard' to:

- Eliminating discrimination, harassment and victimisation and any other conduct prohibited under the Act.
- Advancing equality of opportunity between those with 'protected characteristics' and those without them.
- Fostering good relations between those with 'protected characteristics' and those without them.

EqlAs are a systematic way of taking equal opportunities into consideration when making a decision, and should be conducted when there is a new or reviewed strategy, policy, plan, project, service or procedure in order to determine whether there will likely be a detrimental and/or disproportionate impact on particular groups, including those within the workforce and customer/public groups. All completed EqlA Screenings are required to be publicly available on the council's website once they have been signed off by the relevant Head of Service or Strategic/Policy/Operational Group or Project Sponsor.

What are the "protected characteristics" under the law?

The following are protected characteristics under the Equality Act 2010: age; disability (including physical, learning and mental health conditions); gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex; sexual orientation.

What's the process for conducting an EqlA?

The process for conducting an EqlA is set out at the end of this document. In brief, a Screening Assessment should be conducted for every new or reviewed strategy, policy, plan, project, service or procedure and the outcome of the Screening Assessment will indicate whether a Full Assessment should be undertaken.

Openness and transparency

RBWM has a 'Specific Duty' to publish information about people affected by our policies and practices. Your completed assessment should be sent to the Strategy & Performance Team for publication to the RBWM website once it has been signed off by the relevant manager, and/or Strategic, Policy, or Operational Group. If your proposals are being made to Cabinet or any other Committee, please append a copy of your completed Screening or Full Assessment to your report.

Enforcement

Judicial review of an authority can be taken by any person, including the Equality and Human Rights Commission (EHRC) or a group of people, with an interest, in respect of alleged failure to comply with the general equality duty. Only the EHRC can enforce the specific duties. A failure to comply with the specific duties may however be used as evidence of a failure to comply with the general duty.

EQUALITY IMPACT ASSESSMENT

EqlA : Public Consultation on Draft Corporate Plan framework

Stage 1 : Screening (Mandatory)

1.1 What is the overall aim of your proposed strategy/policy/project etc and what are its key objectives?

The report acknowledges the need to succeed the Interim Council Strategy with a new, forward-looking Corporate Plan that clearly sets out the council's strategic focus over a period of years. At this point in the process, the key objective is to publicly consult on the draft framework for a period of 6 weeks and this EqlA screening therefore relates to the consultation process only. The consultation will be delivered via an online platform that can be accessed independently through personal digital devices. Digital delivery is an environmentally-friendly option and brings a level of convenience for citizens to access the live consultation when it suits them.

1.2 What evidence is available to suggest that your proposal could have an impact on people (including staff and customers) with protected characteristics? Consider each of the protected characteristics in turn and identify whether your proposal is Relevant or Not Relevant to that characteristic. If Relevant, please assess the level of impact as either High / Medium / Low and whether the impact is Positive (i.e. contributes to promoting equality or improving relations within an equality group) or Negative (i.e. could disadvantage them). Please document your evidence for each assessment you make, including a justification of why you may have identified the proposal as "Not Relevant".

Protected characteristics	Relevance	Level	Positive/negative	Evidence
Age	Relevant	Low	Negative	It is acknowledged that some citizens of advanced years may potentially be unable to access the online consultation questionnaire without assistance. More generally – and relevant across this entire EqlA - any citizen who has limited internet/digital access may be impacted. As mitigation, the consultation questionnaire may be accessed via council digital facilities in libraries, and with assistance from staff or volunteers as required.
