#### Guidance notes

**What is an EqlA and why do we need to do it?**

The Equality Act 2010 places a 'General Duty' on all public bodies to have 'due regard' to:

# ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD

## EQUALITY IMPACT ASSESSMENT

### EqlA : Implement shared lives scheme

- Eliminating discrimination, harassment and victimisation and any other conduct prohibited under the Act.
- Advancing equality of opportunity between those with 'protected characteristics' and those without them.
- Fostering good relations between those with 'protected characteristics' and those without them.

EqlAs are a systematic way of taking equal opportunities into consideration when making a decision, and should be conducted when there is a new or reviewed strategy, policy, plan, project, service or procedure in order to determine whether there will likely be a detrimental and/or disproportionate impact on particular groups, including those within the workforce and customer/public groups. All completed EqlA Screenings are required to be publicly available on the council's website once they have been signed off by the relevant Head of Service or Strategic/Policy/Operational Group or Project Sponsor.

#### **What are the "protected characteristics" under the law?**

The following are protected characteristics under the Equality Act 2010: age; disability (including physical, learning and mental health conditions); gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex; sexual orientation.

#### **What's the process for conducting an EqlA?**

The process for conducting an EqlA is set out at the end of this document. In brief, a Screening Assessment should be conducted for every new or reviewed strategy, policy, plan, project, service or procedure and the outcome of the Screening Assessment will indicate whether a Full Assessment should be undertaken.

#### **Openness and transparency**

RBWM has a 'Specific Duty' to publish information about people affected by our policies and practices. Your completed assessment should be sent to the Strategy & Performance Team for publication to the RBWM website once it has been signed off by the relevant manager, and/or Strategic, Policy, or Operational Group. If your proposals are being made to Cabinet or any other Committee, please append a copy of your completed Screening or Full Assessment to your report.

#### **Enforcement**

Judicial review of an authority can be taken by any person, including the Equality and Human Rights Commission (EHRC) or a group of people, with an interest, in respect of alleged failure to comply with the general equality duty. Only the EHRC can enforce the specific duties. A failure to comply with the specific duties may however be used as evidence of a failure to comply with the general duty.

### **Stage 1 : Screening (Mandatory)**

## EQUALITY IMPACT ASSESSMENT

### EqlA : Implement shared lives scheme

#### 1.1 What is the overall aim of your proposed strategy/policy/project etc and what are its key objectives?

Implement Shared Lives scheme - Shared Lives is an initiative whereby people with space in their homes invite people to live with them and be supported. These schemes are regulated by CQC, have a local infrastructure and are subject to a high level of monitoring. The scheme enables people with support needs to live in someone's home with the person supporting them, and the person supporting is paid for the use of the house and the support provided. These arrangements are flexible and work well for many people, but also are more flexible, personalised and tailorable and resource cost effective than more traditional formal placements in care settings for ~~these~~ people with support needs. We want to expand our shared lives offer from the current 5 ~~customers~~ people.

Shared Lives will offer a positive accommodation/support choice to people to broaden the range of support options. Those ~~customers~~ people who wish to use Shared Lives will have chosen to do so and will be fully engaged in any process of matching them with shared lives carers. Shared Lives places are offered under a CQC regulation framework and local monitoring to ensure that they meet people's needs. Shared lives carers are assessed and vetted prior to acceptance on the scheme and receive regular support from the Shared Lives service.

**1.2 What evidence is available to suggest that your proposal could have an impact on people (including staff and customers) with protected characteristics? Consider each of the protected characteristics in turn and identify whether your proposal is Relevant or Not Relevant to that characteristic. If Relevant, please assess the level of impact as either High / Medium / Low and whether the impact is Positive (i.e. contributes to promoting equality or improving relations within an equality group) or Negative (i.e. could disadvantage them). Please document your evidence for each assessment you make, including a justification of why you may have identified the proposal as "Not Relevant".**
