1 OUR STRATEGY

Our vision

- 1.1 The council's local pay and conditions of employment seek to meet the needs of a flexible organisation in a way that is sustainable, supports achievement of organisational goals, is fair and transparent and, most of all, affordable.

Our objectives

- 1.2 In order to meet our vision, we have set the following objectives:

- Recruit and retain employees in a changing market.
- Employees feel, and are, valued and rewarded appropriately.
- Employees feel that the council cares and supports their wellbeing.
- Employees have choice over the benefits they access.
- Pay and conditions are fair and transparent.
- They can be financed.
- They support corporate objectives.
- They are easy to administer.

Our guiding principles

- 1.3 The principles that underpin the strategy:

- Fairness and transparency.
- Affordability.
- Trade Union contribution.
- Acknowledgement that we live in a world where delivery of service is expected 24 hours a day, 365 days per year.
- Understand that individuals' value different rewards.
- Importance of soft/non-cash rewards.

Our Values

- 1.4 In early 2023 we established a working group of volunteer staff from our Employee forums to review our values and behaviours, to ensure that they reflect the work that we do on a day-to-day basis to support our residents, partners, and colleagues. As a result, the council's new values were launched in September 2023:

- Humility
- Empower
- Respect
- Once Team

Further details can be found [on the intranet*](#)

[* Accessible once you have started your employment](#)

- 1.5 In April 2024 the council published its [Council Plan 2024-2028](#) which sets out our objectives for the next four years.

- 1.6 This handbook, together with your contract of employment, forms your main terms and conditions of employment.
- 1.7 The council declared a climate and environment emergency in June 2019 and an ambition for the borough to be net zero by 2050. The council has an environment and climate strategy which requires staff to play an active part to achieve the aims set out here, both to deliver the strategy and reduce their own environmental impact. We encourage you to read the Environment and Climate Strategy as well as the council's internal Energy and Water Strategy and please get in touch with the Sustainability team if you have any questions or suggestions.

Employee Forums

- 1.8 We have the following employee forums:

- Ambassadors
- Equality, Diversity, and Inclusion
- Staff Climate Action Group

The operate on the basis of employee volunteers and if you are interested in finding out more about these groups or becoming a member or if you have an idea for a new forum, contact staff.consultation@rbwm.gov.uk

Armed Forces Covenant

- 1.9 Since July 2020 that council has been a Gold Award holder for the Armed Forces covenant, for more information refer to the [Council's website](#)

2 PRINCIPLES

- Directors/Deputy Directors.
- Executive Directors.
- Chief Executive.

This excludes:

- All school-based support staff.

Lawful positive action initiatives may be taken to achieve and maintain a representative workforce.

- [Code of conduct](#)
- [Private work and conduct](#)
- [Business dealings and declarations of interest](#)

- [Case disposal including corporate prosecutions and sanctions policy](#)
- [Acquisition of communications data, use of covert surveillance and covert human intelligence sources](#)
- [Social Media Policy](#)
- [Dignity at Work Policy](#)

- 2.5 Employees are expected to ensure they are aware of all council policies that relate to their employment, the current versions of which can be found in the HR section on the intranet. Contravention of these policies may result in dismissal.

Duty of Confidentiality

- 2.6 During the period of (and after the cessation of your employment by and/or work for the council), you have a duty of confidentiality with regard to any information with which you may be provided or to which you may have had access, whether that information has come into your possession or knowledge by authorised, accidental or unauthorised means.
- 2.7 This means that you cannot use for your own (or any other third parties') benefit or pass onto any another person or party, without obtaining express prior permission, any confidential council information that you receive. This duty of confidentiality lasts until the information is put into the public domain by an authorised representative of the council.
- 2.8 People employed by or working for the council in whatever capacity may have access to confidential information by virtue of their responsibilities or by being in

an open-plan environment: however inadvertently, they may overhear, have sight of or obtain possession or knowledge of confidential information.

- 2.9 The council has policies and guidelines relating to Information Security, Data Protection and other legislation relating to personal and/or other data with which you are required to comply. These can be found on [the intranet](#). You are required to take responsibility for understanding these policies in an appropriate way to ensure that you protect personal information and council equipment.
- 2.10 Various [Information security](#) policies define the approach the council will take to defining the status of information. In many cases it will be obvious what information is confidential: this could include personal and/or sensitive information relating to members of the public, employees, candidates, consultants, or contractors.
- 2.11 Nothing in this duty should be seen to restrict the provisions of the Public Interest Disclosure Act 1998, which is reflected in the council's Raising Concerns at Work policy or the Freedom of Information Act 2000.
- 2.12 Any breach of this requirement will be regarded as gross misconduct and as such will be grounds for dismissal, subject to the provision of the disciplinary procedure.

For those employed in HR and Payroll only

- 2.13 The council holds personal information about employees electronically and on their personal files which is used for purposes in connection with their employment. It is necessary that HR and Payroll personnel, whether direct employees, self-employed consultants, contractors, temporary/fixed-term employees - whether directly employed or employed by an agency - volunteers or interns work within this requirement as and when necessary.

Learning and development

- 2.14 The council supports learning and development to meet our corporate needs and those of our employees identified through our Connect 1-1 performance management system. All employees are required to undertake mandatory e-learning courses annually unless an alternative frequency is specified:
- Health and Safety Essentials (Non Managers)*
 - Health and Safety for managers and supervisors*
 - Mental Health Awareness for management
 - Mental Health Awareness (non- managers)
 - Equality and Diversity

Health, safety, and wellbeing

- 2.15 The council acknowledges its duty to comply with the law regarding the health, safety and wellbeing of our employees including the conditions under which they work.
- 2.16 All council employees have a duty to take care of themselves and others affected by their activities at work and to co-operate with the council's actions taken to meet our duties under the relevant legislation.
- 2.17 Information about the Health and Safety procedures in place at the council are available in the Health and Safety area on the intranet. In addition, service areas will have their own risk assessments for their specific areas of work activity, and these should be discussed as part of the local induction programme.
- 2.18 The council is also committed to supporting the wellbeing of our employees and has worked hard to develop and integrate wellbeing into our culture. Information on wellbeing is available on the Staff Wellbeing and Benefits pages within the HR area on the intranet. We have an Employee Wellbeing statement, which sets out our approach to supporting wellbeing. The Connect 1-1 process includes an opportunity to discuss wellbeing issues and the monthly Wednesday Wellbeing Bulletin contains a range of wellbeing related items. Services and teams are encouraged to discuss wellbeing on a regular basis. In May 2023 we launched our Working Well Charter which sets out protocols and behaviours that we hope will support good wellbeing in the workplace.
- 2.19 The Wellbeing page on the intranet also includes information on our Wellbeing Advocates , who are employees who volunteer to be available to talk to and support colleagues on a confidential basis. In addition, staff can contact Care first an external and confidential advice and support service.

Part time employees

- 2.20 Part time employees shall have applied to them the pay and conditions of service pro-rata to comparable full time employees except for training and development - where part time employees should have access equal to that of full time employees and when on training courses outside their contracted daily hours shall be paid on the same basis as full time employees.

Fixed term and Temporary Employees

- 2.21 Fixed term and temporary employees shall receive pay and conditions of service equivalent to that of permanent employees.

Normal pay

- 2.22 Normal pay is defined as basic salary plus any payments that are contractual but not payments subject to performance criteria.

Continuity of service

- 2.23 For the purposes of entitlements regarding the occupational maternity/paternity/adoption schemes and redundancy pay, continuous service will include continuous previous service with any public authority to which the Redundancy Payments Modification Order (Local Government) 1983 (as amended) applies. *
- 2.24 Where an employee returns to local government service following a break for maternity reasons, or reasons concerned with caring for children or other dependants he or she will be entitled to have previous service taken into account in respect of the maternity schemes provided that the break in service does not exceed eight years and that no permanent paid full time employment has intervened.
- 2.25 Where an employee is transferred to an organisation not covered by the Redundancy Payments (Continuity of Employment in Local Government etc.) (Modification) Order 1999, continuity of service is protected under the TUPE Regulations where there is a TUPE transfer. However, if that employee returns voluntarily to local government service continuity is broken. Where an employee returns in such circumstances, without a break between employments, all previous continuous service will be recognised for the purposes of calculation of entitlements to occupational maternity/paternity/adoption leave/pay. This is subject to the return to service being within five years of the original transfer.

*** Where more than one post is held, the actual start date for any subsequent post(s) will be used for the purposes of redundancy and associated statutory notice in relation to that post.**

Relevant documents

- 2.26 For further information on all associated HR policies and procedures refer to the HR area on the intranet.
- 2.27 You are required to make yourself familiar with these policies and to comply with them during your employment. The council keeps these policies under review and will amend and update them from time to time.
- 2.28 There will be other policies and procedures relevant to your service area, which will be explained to you as part of your induction process.

Employees will normally be able to take the time off as the holidays occur, however if the employee carries out their duties on bank or public holidays, they will be given compensatory time off at the earliest opportunity.

Annual leave

9.2 Employees are entitled to 32 days annual leave. This is based on a full-time employee working a 5-day working week. All annual leave allowances are calculated in hours regardless of whether an employee works full time, part time or any other working pattern as 9-day fortnights.

9.3 The council operates individualised leave years. Annual leave year commences on the day on which employment with the council commences. The annual leave entitlement of employees leaving the council is proportionate to their completed service during the leave year.

9.4 Part time employee entitlement is calculated in hours and takes into account a proportional entitlement for bank, extra statutory and public holidays. Many services do not operate on bank holidays. If a bank holiday is a normal working day for the employee and they do not work on that day, the hours that the employee would have normally worked must be taken as leave and logged on the leave record. Alternatively, it may be possible for the employee to work these hours (or some of them) at another time by agreement with their manager.

Public duties

- 9.10 Paid leave of absence will be granted for employees undertaking jury service or serving on public bodies or undertaking public duties in line with the council's policy. Maternity and adoption leave

- 9.12 Regardless of length of service, employees are entitled to 26 weeks' ordinary maternity/adoption leave (OML/OAL) followed by 26 weeks' additional maternity /adoption leave (AML/AAL), making a total of 52 weeks. | More than 1 years' service | 4 months at full pay 4 months at half pay |

9.23 The period during which sick pay is paid and the rate of sick pay in respect of any period of absence are determined by the aggregate of the periods of paid sickness absence during the twelve months immediately preceding the first day of the current absence.

9.24 The council has rules regarding the notification of sickness absence in order to qualify for sick pay.

9.25 For further information refer to Sickness Absence Management Policy and Procedure.

Probationary period

10.1 You will be required to complete your mandatory induction checklist in order for you to complete your probation.

Flexibility

10.2 Employees are expected to be flexible in the duties they carry out, to enable their service to be both efficient and productive and at the same time develop the individual employee.

10.3 In practice, this will at times require you to undertake tasks which are not prescribed within your main accountabilities, but which are at a similar level and felt to be within your capabilities and commensurate with your skills and or potential.

10.4 The council needs to ensure that the appropriate services are provided at the best value. Inevitably ongoing review will affect employees, their hours of work, their place of work and the roles they perform. You are required to be flexible in your approach to these matters and to accept changes that are reasonably required of you. Any changes would be subject to reasonable notice as dictated by the circumstances.

Notice to terminate employment

10.5 The minimum statutory notice period to which employees are entitled from the council, subject to 4 weeks service, is 1 week (up to a maximum of 12 weeks) for each year of continuous local government service or their contractual notice, whichever is the greater.

10.6 You are required to give the following notice to terminate your employment:

Table 3

| Grade | Notice |
|--|---------------|
| Grade 1 - 5 | 1 month |
| Grade 6 - 10 Professional roles under Adult Social Care Services (e.g. Social Workers, Occupational Therapist, Service Team Manager, etc.) | 2 months |
| Grade 11 - 13 | 3 months |
| Assistant Director/Director/Deputy Director/Executive Director/Chief Executive | 3 months |

10.7 If notice of termination of this contract has been provided by either you or the council we may, at our discretion, require you not to attend work or make contact with work colleagues for the outstanding period (garden leave). However, you will remain as an employee of the council and subject to all obligations as an employee. You shall not be permitted to commence other employment during this garden leave period.

TUPE Terms and Conditions

- 10.11 Employees who have transferred to the council under the Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE) may have terms and conditions of employment that differ from those outlined in this handbook. Employees under TUPE arrangements will continue to follow the terms of their contractual entitlements as specified at the time of their transfer. In the event of any discrepancies between this policy and the contractual terms of TUPE employees, the contractual terms will take precedence.

11 MENU OF BENEFITS

Flexible benefits

- 11.1 The council offers a range of non-contractual flexible benefits to its employees. The Menu of Benefits enables employees to achieve a better work-life balance, increase the value of their take home pay through a number of salary sacrifice schemes and obtain discounted rates for a variety of goods and services.

- 11.2 For further information refer to the staff benefits page on the intranet.

Pension

- 11.3 You will automatically become a member of the Local Government Pension Scheme (LGPS) if you have a contract of employment of at least 3 months duration and you are aged under 75.

- 11.4 Your employee contribution rate will be between 5.5% and 12.5% depending upon how much you earn as there are 9 salary bands and 9 different rates of employee contribution. The rate of contribution that you will pay is determined by the rate of your annual pensionable pay each April as assessed by your employer. If you are a new employee your rate will be assessed at your date of starting and then reviewed each April.

- 11.5 If you have a contract of employment of less than 3 months you will not be contractually enrolled into the LGPS unless your contract is extended to beyond 3 months in which case you will be admitted to the scheme at that point. You can opt into the LGPS within the first 3 months. However, please note that you would not become entitled to a pension benefit until such time as you have built up a total of two years pension scheme membership (including any membership you may have with a previous Local Government employer, or any additional membership awarded as a result of transferring previous pension rights into the scheme).
- 11.6 You can opt out of the LGPS at any time and if you have less than a total of 2 years scheme membership (again including any membership of the LGPS with a previous Local Government employer and any additional membership awarded as a result of transferring any previous pension rights into the scheme), you will be allowed a refund of your contributions. If your total scheme membership is less than 3 months the refund of contributions will be repaid through payroll. Otherwise, it will be repaid by the Pension Fund. In order to opt out of the scheme you must visit the [pension fund website](#) and obtain an opt out form for completion and return to the payroll team.
- 11.7 As an alternative to opting out of the scheme you may wish to consider electing for the 50/50 section of the scheme during which time (and only whilst you are a member of the 50/50 section) you would contribute 50% of your normal contribution for 50% of your pension. However, whilst a member of the 50/50 section your employer continues to pay their full contribution and you retain full rights under the scheme with regard to ill health retirement and death in service benefits. When certain employment conditions are met you would be re-admitted to the main section of the scheme but would have the right to elect again for the 50/50 section of the scheme at that time. Full details of the 50/50 section can be found on the [pension fund website](#)
- 11.8 The way the council will apply the discretions available in the LGPS are set out in the [LGPS discretions policy](#) this includes the arrangements for the inward transfer of former pension rights for new employees, which is time limited.
- 11.9 The council applied the Pension Reform legislation on 1 May 2013 in relation to auto enrolment. For more information, refer to the Berkshire Pension Fund website or [The Pensions Regulator](#)
- 11.10 If you do elect to opt out of the LGPS you will be automatically re-enrolled into it from your employer's automatic re-enrolment date or from the point you meet a number of triggers under the automatic enrolment regulations.
- Further information is available via the Berkshire Pensions [Factsheets](#)
- 11.11 There is no normal retirement age and therefore you will need to advise the council of when you wish to take retirement.
- 11.12 Members of the LGPS can also contribute to an AVC via the Prudential. If you pay tax and NI, then the council offers a salary sacrifice AVC scheme

AVC Wise If you do not pay NI, then an alternative AVC scheme is available, for more information refer to the [Additional Voluntary Contributions](#) information on the Berkshire Pension Funds website
